Mental Health

## Thinking about the Early Child (TEC)

### **INVITATION TO REGISTER FOR THIS ESSENTIAL COURSE FOR PEOPLE WORKING WITH CHILDREN**

**Thinking about the Early Child** is an ideal course for nursery school teachers, parents and anyone working with young children, especially birth to 7 years old. The course is structured in such a way that you learn through your own experience of the material. Ideas will be conveyed through experiential exercises, reflections of feelings and through asking of thought-provoking questions. Each learner, including you, has so much to bring to the training!

New evidence from the biological and social sciences confirms that strong foundations built in the earliest years of life are required to support healthy physical and emotional development, and to prevent social and economic inequalities from widening. Every intervention and interaction with young children can make a big difference. That is why people working with children find it very helpful to gain insights into how children think and develop. This course also has a strong focus on improving observational skills and helping you tune into the emotional experiences and motivations of children.

The course, **of 9 sessions**, will take place at Ububele on a **Wednesday** afternoon from **2:00 to 4:30 pm. The cost is R1 560.00 per person, due on registration.** Course dates: Wednesday 20 August, 27 August, 3 September, 10 September, 1 October, 15 October, 22 October, 29 October and ends on 5 November 2014.

We invite you to register today for the **Thinking about the Early Child 2014 Course**. Please complete the registration form on our website: [www.ububele.org](http://www.ububele.org) and email it to **Nicki Dawson: nicki.dawson@gmail.com** or phone her for more information at: Tel: (011) 786 5085. **Spaces limited to 16 people so book now to avoid disappointment.**

Thank you for your interest. We look forward to hearing from you soon.

Kind regards  
**Tony Hamburger**  
**M.A. [Clin.Psych]**  
**Executive Director**
